INFORMATION NOTE No. 55/2015

THE TC GRANTS LEAVE TO PROCEED TO THE APPEAL LODGED BY THE CATALONIAN *GENERALITAT* AGAINST THE PUBLIC SECTOR RATIONALIZATION ACT

The Plenary Meeting of the Constitutional Court (TC) has granted leave to proceed to the unconstitutionality appeal brought by the Catalanian Government against several articles of Act 15/2014, of 16 September, on Public Sector Rationalization and other administrative reform measures.

The Court has resolved to serve notice of the foregoing appeal to the Congress of Deputies, Senate and the Government, which have been granted a term of fifteen days in which to appear as party to the proceedings and submit their pleadings.

The granting of leave to proceed does not entail any decision whatsoever on the merits of the appeal, which the Court will examine shortly.
